

## BASQUE CHEESECAKE

### INGREDIENTS:

1KG cheese cream  
(Philadelphia)  
500gr cream  
250gr sugar  
7 eggs (fresh)

Mix the cheese with the sugar.

Next, add the eggs one by one, without adding the next until the previous one is integrated.

Finally, we add the cream. It is very important to always stir using a tongue.

Set the oven to heat from both the top and bottom elements to ensure even baking and bake for 31 minutes at 230 °C
